

TYRES

Product group	Tyres
Item number	10000047
Valid tyre size	900 / 60 R 32
LI / SI / PR	181 A8 / 181 B
TL/TT	TL
Brand	Firestone
Tread pattern	Maxi Traction Harvest
Sonderpostenkategorie	Remaining stock

Notes and features

- The Firestone Maxi Traction Harvest is a radial tractor tyre specially designed for harvesters.
- It offers excellent traction on the field.
- The shape of the lugs, which overlap in the center of the tread, the high number of lugs and the carcass construction ensure exceptional ride comfort on and off the road.
- The large contact area protects the soil and prevents heavy soil compaction.

Technical Informations

Item number	10000047
