## Notes and features

- The Windpower WE77 is a versatile all-position tyre for various off-road vehicles.
- It is suitable for both towed trailers like silage trailers and manure spreaders as well as for drive axles on agro trucks.
- The tyre is characterised by its sturdiness and wear resistance.
- Its special tread pattern offers good traction when used in the field while protecting the soil and providing good grip when used on the road.
- Due to its high load capacity and its approval up to 80 km/h, it is also suitable for longer road trips.
