Notes and features

- The Nokian Forest King TRS 2+ is a forestry tyre, especially for 6-wheel forestry machines.
- The tyre provides excellent ground contact without chains and tracks and prevents soil damage.
- It can be perfectly combined with chains and tracks and supports their function optimally.
- The deep tread pattern with extra lugs in the shoulder area enables perfect chain contact and prevents damage to the tyre when operating with chains.
- An additional rubber ply on the tyre shoulder and steel reinforcements on the tread protect the tyre from damage caused by cuts and piercing.
