Notes and features

- BKT Agrimax Force is an IF tyre for high performance tractors with more than 250 hp.
- It offers 20% higher load capacity at the same air pressure or the same load capacity at 20% lower air pressure compared to a standard tyre.
- The large contact area enables a uniform distribution of ground pressure and therefore optimum soil protection.
- Its strong polyester belt carcass provides good traction and stability on all surfaces and long tyre life.
- The tyre guarantees driving comfort in the field and during transport trips on the road without the need to adjust the air pressure.
